

I strongly object to Sinclair television stations airing a one-sided political piece. We count on our public airwaves to be free of bias, and to tell the unbiased "truth" as best they can. Sinclair needs to receive a strong message from the FCC that violating the FCC's regulations will result in the most dire of circumstances. This is not in our nation's best interest.

Sincerely,
Lisa G. Lindstrom,
B.S.N., M.S.
